Rooney Races to A Beat All His Own

Imagine the Energizer Bunny with a jet engine. That would be Rooney! This 28 year old Arabian has more energy than a month old colt. When Judy, his owner, set him loose in a huge arena - about the size of a football field, I admit I wondered what would happen next. I never dreamed that Rooney would take off racing around the huge arena -- and keep going nonstop - around and around! It was thrilling!!! I got so many fantastic photos of Rooney in action, I couldn't believe it!

Judy was certainly correct when she wrote that "Rooney... still runs for the joy of running."

What a wonderful horse! Rooney is a fantastic example of the Beautiful Horses from New York! [Click here to see more Beautiful Horses of New York paintings.](#)

Book Review & Give-Away!

***Horses Never Lie About Love* by Jana Harris**

You know I love reading about special horses since that's the basis I use to select horses for my "Beautiful Horses ... series." Of course those nominations are limited to 250 words, so I was wondering how a whole book focused on a special horse would keep my attention corralled for 275 pages. I didn't worry long, because from page 1 my attention was riveted to Jana Harris' well-written story, *Horses Never Lie About Love*.
