First Beautiful Horses of New York Paintings Are Complete!

Smidgy, 14x18", oil on masonite, © Karen Brenner 2011

The first four paintings in my Beautiful Horses of New York series are done! As you may know, I traveled throughout New York in June, photographing the 50 horses that will comprise this series. It was a wonderful adventure and I got to meet so many beautiful horses!

The first painting to be finished featured miniature horse, Smidgy! What a perfect little horse he is! Smidgy's painting is pictured above. His story is on my blog along with those of Phantom, Miss Scarlet and Jack. Here's a [link](#) if you'd like to read about the "first four." Many more will follow!
